Foxwood Road

Dunston Trading Estate

Chesterfield

S41 9RF

- We offer a bespoke design build service here at Vecstar. We can produce any size chamber ranging from 0.2 litres to over 2000 litres, with maximum working temperatures as high as 1800°C.
- We offer numerous options such as pneumatic rising doors, controlled either by button or foot pedal, chart recorders, automatic loading facilities and more.
- Bespoke chamber furnaces we have produced in the past include rising hearth furnaces, top loading furnaces and large aerospace furnaces conforming to NADCAP (AMS 2750D) requirements.
